My dear Kathleen;
Your letter of the 24th
November reached me
here, on Taur, in these
splendid city on the
Black-Sea. - I am
astonished You did
not receive my letter
addressed to New York

c/o Miss Sawyer. -
My accident prevented
me of much work;
The most disagreeable
was that, being in
health, I could not
move, obliged to
keep quite in bed -
horrible!

Now I am quite well
and thank You so
much for Yours

Love and Interest in
my misfortune. -
I had only one letter
in Petersburg from
You and now the second.
I am still at 26 English
Prospect but was obliged
for sometime to make
my residence at the
Hotel my house being
in reparation.

As a subscriber of the
"Musical Courier" I am
able to follow Your success
there. - It seems, Limba-
chist is well managed;,
if he makes some money
that is another question.

Yes, I decided not to
go to London this
season; Passing Dresden
I took an appartement
at Loschwitz, on the Elbe

opposit Dresden - 20
minutes by Tramway from
the Centre, charming
Place. - There I will
receive my pupils and
have a triumphal reception
to meet Miss Mathleen
Parlow and her mother.

I intending to ask Messrs.
F. Rics, the music-seller
at Dresden, to be the
Daniel Mayer for my
pupils.

To make arrangements
with them. -

Sometimes ago, at Petersburg,
I gave You New York
address, Miss Sawyer, 1425
Broadway to the Chair-
man of the Musical
Society to make the dates
for Petersburg and Moscow
next season. -

Let me know if You
got that letter, so

important. -

I had a letter from
Mr. Blumberg asking
me to write a letter
for publication in the
"Courier" regarding the
fact relating various
stories to the Tchaikovsky
Concerto. - I shall soon
do it. - I remember
Mr. King do and read
his Interview, so logical
to me!

Poor Mrs. Stein could not
get the permit at her
Institution to make the
Tour with me; I have
a young, talented Pianist
with me; but, of course,
it is not quite the same
to me. - I had two
brilliant Souates Recitals
in Petersburg and Moscow
with Mad. Essipoff. -
The weather is like in spring
here; the Sea, splendid. In
a week I shall be at home.

My best wishes, and heartfelt
kisses from you and
Queen
